Identity Theft

Session by Patrick Gray

Patrick Gray, Senior Security Strategist for Cisco Systems will present a session on identity theft, “I am who I say I am. Maybe.”. Gray’s experience includes twenty years with the Federal Bureau of Investigation and Internet Security Systems, where he created the X-Force Internet Threat Intelligence Center, a fee-based delivery of threat and vulnerability intelligence. As a result of his service with the FBI and the Internet Threat Intelligence Center, he has first-hand knowledge of the hacking community and its aims and methodologies as they attack government, e-commerce, energy and financial entities relentlessly.
